December 2018

## *From the From the Grand Knight's Table - David Swierkosz*

*The Knights of Columbus was founded on the principles of Charity, Unity, Fraternity, and Patriotism. On the local level our council continues to practice these principles by serving and continuing to unite and strengthen our partner parishes. If you feel thankful and blessed consider becoming a member. There is room for involvement at all age and talent levels. As we come to the close of another year may everyone have a Merry Christmas and a safe and Blessed New Year.*

### *The Value of Life Insurance for Children*

*As a father, you worry about your children and do everything you can to protect them. You try to raise them right and make sure they are prepared to become adults. But have you ever thought about buying life insurance for your child?*

*When you insure a child, you are protecting his or her future. Did you know that one out of every six adults get rated, postponed, or denied for insurance coverage? If you purchase a policy for your child from the Knights of Columbus with a guaranteed purchase option, it guarantees that more insurance can be purchased for that child at certain set dates, without proving insurability.*

*Unfortunately, as fathers we don't have a crystal ball, and we don't know what the future may have in store for our children's health. But did you know that right now you can purchase a child's policy, in many cases, for less than \$10 a month?*

*I've heard it said that people don't want to "profit" from the death of a child, so they won't purchase coverage on their children. God forbid something tragic happens, those funds can come in handy at a time when finances will be the last thing on a parent's mind. I have never heard a story about someone who regretted buying coverage on their Children. Contact me today to discuss the many policy options for child plans, including 10- and 20-Pay life insurance.*

## *Did You Know - Calvin Kulik*

**DID YOU KNOW....** that the Knights of Columbus provides significant financial support to the Clelian Heights School for Exceptional Children? Clelian Heights is a licensed, private, non-profit, educational, vocational, and residential facility for children and adults with developmental disabilities. It is owned and operated by the Apostles of the Sacred Heart of Jesus, a community of women religious. Founded in 1961, it is licensed by the Commonwealth of Pa. through the Dept. of Education and Public Welfare. The Apostles of the Sacred Heart was
